

Oregon TECH

Resource Budget Commission

Fall 2013 Awards

School of Engineering, Technology & Management

Civil Engineering - Hydraulics and Geotechnical Laboratories Function	\$18,500.00
Civil Engineering - K'NEX for use in Classroom Teaching and Outreach	\$418.00
Computer Systems Engineering Technology - Test Equipment to be shared in many CSET Labs	\$18,150.00
Computer Systems Engineering Technology - Upgrade the Computer Systems in PV 107	\$19,466.30
Electrical and Renewable Energy Engineering - Educational Kits for Teaching Fundamental Topics	\$273.00
Electrical and Renewable Energy Engineering - Senior Project	\$2,587.74
Electrical Renewable Energy Engineering - Equipment for Solar Energy Lab	\$18,952.00
Geomatics - Accessories for Donated Laser Scanner	\$3,000.00
Management - Furniture and Equipment for Network Lab	\$7,912.00
Manufacturing and Mechanical Engineering Technology - 10 New Computers for Student Design Center	\$9,656.70
Manufacturing and Mechanical Engineering Technology - 4th Axis Capability for HAAS TM1-P Milling Center	\$2,095.00
Manufacturing and Mechanical Engineering Technology - ASME RC Baja Senior Project	\$2,400.00
Manufacturing and Mechanical Engineering Technology - Compete in FSAE West Competition	\$5,051.10
Manufacturing and Mechanical Engineering Technology - Rapid Prototyping 3-D Printers	\$4,875.83
Manufacturing and Mechanical Engineering Technology - Retrofit Kit for CNC Plasma Cutter	\$5,229.15
Manufacturing and Mechanical Engineering Technology - Senior Design Project	\$2,986.53
Manufacturing and Mechanical Engineering Technology - Senior Project Funding and Parts Acquisition	\$2,124.25
Wilsonville Geomatics - Survey Equipment Room Supplies	\$3,000.00
Wilsonville Computer Systems Engineering Technology - Expand Access to Classes for Students at all Campuses	\$890.00
Wilsonville Electrical and Renewable Energy Engineering - Enhance Student Optoelectronics Laboratories	\$5,759.00
Wilsonville Electrical and Renewable Energy Engineering - Funnels for Biodiesel Manufacturing Lab	\$1,937.50
Wilsonville Management - PC Desktop Workstations for Server Lab	\$17,872.02
Wilsonville Manufacturing and Mechanical Engineering Technology - Torsion Testing Machine	\$6,725.90
Total ETM	\$159,862.02

School of Health, Arts & Sciences

Clinical Laboratory Science (Wilsonville) - Centrifuge Work Station Equipment for Student Lab	\$13,976.00
Dental Hygiene - Instruments and Equipment for Restorative Curriculum	\$13,587.18
Mathematics - Replace Computers in Math Lab	\$14,868.57
Medical Imaging Technology - Obstetrical Phantoms for Ultrasound Teaching	\$9,100.00
Medical Imaging Technology - Replace X-Ray Machine	\$11,200.00
Natural Sciences - Anatomical Models	\$13,120.27
Natural Sciences - Cross Campus Improvements to Physics Instructional Methods	\$969.72
Natural Sciences - Gas Chromatographs	\$2,824.00
Respiratory Care - Lab Instruction and Activities in Mechanical Ventilation	\$19,000.00
Wilsonville Paramedic - Defibrillator Monitors	\$10,388.00
Wilsonville Paramedic - IV Pump	\$1,800.00
Wilsonville Paramedic - Low-Fidelity Manikins	\$6,657.30
Wilsonville Paramedic - Physiology Lab with Experimental Recording Equipment	\$5,985.00
Total HAS	\$123,476.04

Other Departments

Library - Improve Computer Access in the Library	\$3,902.94
Student Printing	\$20,000.00
Total Other Departments	\$23,902.94

Total Awarded \$307,241.00
