

**Lane Community College  
Associate of Applied Science Culinary Arts and Food Service  
Management  
to**

**Oregon Institute of Technology  
Bachelor of Applied Science in Technology and Management**

**Articulation Agreement  
2016-2017 Catalog**

It is agreed that students transferring from Lane Community College (LCC) with the Associate of Applied Science Culinary Arts and Food Service Management degree to Oregon Institute of Technology's (Oregon Tech) Bachelor of Applied Science in Technology and Management (BAS) program will be given full credit for all selected courses listed below. This agreement is based on the evaluation of the rigor and content of the general education and technical courses at both LCC and Oregon Tech, and is subject to a yearly reevaluation by both schools for continuance. This agreement is dated August 11, 2016.

Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300-and 400-level classes at a bachelor's degree granting institution. Baccalaureate students at Oregon Tech must complete 45 credits from Oregon Tech before a degree will be awarded.

Students are responsible for notifying the Oregon Tech Admissions and Registrar's Office when operating under an articulation agreement to ensure their credits transfer as outlined in this agreement. In order to utilize this agreement students must be attending Lane Community College during the above catalog year. Students must enroll at Oregon Tech within three years of this approval.

<b>Total Accumulated Oregon Tech Credits <sup>9</sup></b>	<b>180</b>

1. To maximize useable credits toward the BAS degree, the listed courses are recommended.
2. Students can transfer up to 6 credit hours of Humanities electives into the BAS program; these courses should be designated as Humanities electives by Oregon Tech. However, only 3 Humanities Credits can be studio/performance based. Choose from the following LCC prefixes: ART, ENG, HUM, MUS, PHL, REL, Second Year Foreign Language or TA.
3. Students can transfer up to 4 credit hours of Math/Science electives into the BAS program; these courses should be designated as Math/Science electives by Oregon Tech. Choose from the following LCC prefixes: BI, CH, G, GS, MTH, and PH. Please note that Oregon Tech does not grant science credit for computer science courses.
4. Excess credits will transfer to Oregon Tech as general elective credit with the exception of developmental course work; these credits will **not** be used toward the BAS degree.
5. ECON 200 (3 credits) is a prerequisite for ECON 201 and 202.
6. BA 101 (4 credits) is a prerequisite for BA 206,211,213, and 223.
7. The BAS program requires one biological or physical science with lab. Choose from the following LCC prefixes: BI, BOT, CH, G, GS, or PH.
8. Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300- and 400- level classes at a bachelor's degree granting institution.
9. Oregon Tech's Bachelor of Applied Science in Technology and Management requires 180 credits.
