

How to log into your MyOIT account

What is MyOIT?

MyOIT is a link that gives you easy access to all of the programs you use at Oregon Tech. Once you're logged into MyOIT, you are automatically logged into your Oregon Tech email account and your Blackboard account.

MyOIT also contains useful information from the main Oregon Tech website located in tabs at the top of the page.

Using the browser of your choice, open
www.oit.edu and click “Login”

The MyOIT login screen displays. Type in username and password then press Login.

:: SECURE LOGIN

Username ⓘ

Password ⓘ (Forgot my password)

:: LOGIN TO ACCESS

- ~ [Campus Announcements](#)
- ~ [Course Registration](#)
- ~ [Email](#)
- ~ [DegreeWorks](#)
- ~ [Home Directory Files](#)
- ~ [Online Courses](#)
- ~ [Student Records/Account Summary](#)

:: New Student?

Your Oregon Tech account will not be created until you have registered for classes.

You may register:

- ~ [Online using Web for Student](#)
- ~ [By Visiting the Registrar's Office.](#)

:: Not a Current Student?

If you are unable to login because you have graduated or have not enrolled in over a year, the following resources may be helpful:

- ~ [Request Official Transcripts](#)
- ~ [Re-Enroll at Oregon Tech](#)
- ~ [Registration for Re-Enrolling Students](#)
- ~ [Pay Your Bill](#)

Login Reminder

Your username is usually in the format of “firstname.lastname” (without the quotes).

Your default password is Hootie and the last four digits of your Oregon Tech student number.

****The first time you login, you will be asked to answer security questions.****

Your account opens

The screenshot shows the MYOIT portal interface. At the top left is the MYOIT logo. At the top right, a link says "Click on your username to manage your account". Below this, the username "janelle.test" is displayed in a dropdown menu, circled in red with an arrow pointing to it from the text "Click here to find the Sign Out link." Below the header is a navigation bar with tabs: "Home", "Student Resources", and "Technology Services". The "Home" tab is selected and circled in red, with an arrow pointing to it from the text "Click a tab to see other pages." Below the navigation bar is a sidebar with several links, each with an icon and a description. These links are: "OIT Email" (Check your campus email account), "File Manager" (Access files in your OIT home directory), "Blackboard" (Online classes), "Web for Student" (Add/Drop classes, view grades and account balance), "Course Schedules" (Searchable list of classes), "CASHNet EFT/Credit Card" (Pay your bill online), and "Provide Feedback" (What do you or don't you like about the new OIT Portal? What would you like to see added?). A red box encloses all these links, with an arrow pointing to it from the text "Links to Oregon Tech programs" and "The OIT Email and Blackboard programs will open with you already logged in when you click these links." To the right of the sidebar is a section titled "Printing Statistics" with a table of data. At the bottom of the page, there is a footer with "OIT Home Page" on the left and "©2013 Oregon Institute of Technology" on the right.

MYOIT

Click on your username to manage your account

janelle.test

Click here to find the Sign Out link.

MyOIT ▶ MyOIT Home

Click a tab to see other pages.

Home Student Resources Technology Services

Links to Oregon Tech programs

The OIT Email and Blackboard programs will open with you already logged in when you click these links.

The Web for Student and CASHNet programs will require you to still log in after clicking those links since they use a different userid and password.

The File Manager link opens your personal storage space on the network.

When you open a program link, it will either open in a new window or in a new tab depending on your browser settings. If you just close the separate window or tab when you're done, you can re-open the link and be right back in the program.

Note that if you have Blackboard already open in another tab in your browser, you'll get an error message (Session Already Running) when you try to click the Blackboard link inside of MyOIT. You can't have two instances of Blackboard running in the same browser.

You can either use the other tab to view Blackboard, or you can close that original tab and then you can use the Blackboard link inside of MyOIT.

Remember to Sign Out when finished. When you logout of MyOIT, the programs you opened from inside of MyOIT are also closed.

The screenshot displays the MyOIT web application interface. At the top left is the 'MYOIT' logo. In the top right corner, a message reads: 'Click on your username below to manage your account.' Below this, the username 'janelle.test' is shown with a dropdown arrow. A red arrow points to the 'Sign Out' option in the dropdown menu, which is highlighted with a red circle. The dropdown menu contains the following items:

- My Settings**
Update your user information, regional settings, and alerts.
- Sign in as Different User**
Login with a different account.
- Sign Out**
Logout of this site.
- Change Password**
Change your password
- Change Password Reset Questions**
Change your password reset questions

On the left side of the page, there are links for 'OIT Email' (Check your campus email account), 'File Manager' (Access files in your OIT home directory), and 'Blackboard' (Online classes). On the right side, there are links for 'Printing Services' and 'Balance'.
