Administrative Rules on Sabbatical Leave

Effectively readopted as University Policies in substantially identical form on July 1, 2015.

580-021-0200 Purposes of Sabbatical Leave

Sabbatical leave is granted to unclassified employees having academic rank for purposes of research, writing, advanced study, travel undertaken for observation and study of conditions in our own or in other countries affecting the applicants field or related scholarly or professional activities. Sabbatical leave is a privilege and not a right. It is granted only when it can be shown that the applicant is capable of using this period in a manner that will thereafter increase the applicant's effectiveness to the institution and to the state.

580-021-0205 Eligibility for Sabbatical Leave

(1) An unclassified employee appointed at .5 FTE or more, with the rank of Senior Instructor, Assistant Professor, Associate Professor, Professor, Research Associate or Senior Research Associate may be considered for sabbatical leave: (a) After having been continuously appointed without interruption by a sabbatical leave for 18 academic quarters (excluding Summer Session) or, in the case of 12-month faculty, 72 months; or (b) After having accumulated the equivalent of 6.0 FTE years over an indefinite period of 9-month or 12-month appointments uninterrupted by a sabbatical leave. (c) Prior service at the ranks of Instructor, Lecturer or Research Assistant, when leading to a promotion to a higher rank, may be considered by an institution president as part of the period of accumulated service for the purposes of the time requirement for sabbatical eligibility.

(2) A series of appointments shall be considered continuous whether or not interrupted by one or more authorized leaves of absence other than a sabbatical leave. A one-year period of appointment at less than .5 FTE will count as a period of accumulated service for purposes of the time requirement for sabbatical eligibility. An authorized leave of absence will not prejudice the staff member's eligibility for sabbatical leave. Academic staff members may be considered for subsequent sabbatical leaves after again satisfying the conditions specified in subsections (1)(a) or (b) of this rule. Cases involving mixed terms of service may be adjusted by the institutional president or the president's designee, in accordance with the principles set forth in this rule.

(3) For institutional convenience, and at the initiative and sole discretion of the institution, a sabbatical leave may be delayed by up to two years. In such instances, the academic staff member will become eligible for a succeeding sabbatical leave after an equivalently reduced period of years. This section applies to a maximum of 14 consecutive years, covering two possible sabbatical leaves. The same agreement may be negotiated, again for institutional convenience, in subsequent 14-year periods.

(4) Sabbatical leave privileges may be granted to unclassified employees in special positions of responsibility and trust, even though they do not hold academic rank. Eligibility for this class of employees will be determined in the manner described in section (1) of this rule. Recommendations for sabbatical leave for the above-referenced unclassified staff members not otherwise qualified may be made in exceptional cases only at the discretion of institution presidents.

(5) For purposes of determining eligibility for sabbatical leave, time spent on an authorized military leave from a Department institution shall be considered as institutional service.

(6) Salary received by an academic staff member during a sabbatical shall be calculated as follows: (a) Salary under subsection (1)(a) of this rule shall be a percentage (determined by 580-021-0225 or 580-021-0230) of the academic staff member's annual rate multiplied by the average FTE at which the academic staff member was appointed during the 6.0 FTE years immediately prior to the sabbatical leave. Presidents shall have the authority and discretion to interpret special circumstances in this regard. For purposes of this subsection, eligibility years are the 18 academic quarters (excluding Summer Session) or in the case of 12-month faculty, 72 months of continuous employment at half-time or more that result in the academic staff member's eligibility for sabbatical leave under subsection (1)(a) of this rule. (b) Salary under subsection (1)(b) of this rule shall be a percentage (determined by 580-021-0225 or 580-021-0230) of the academic staff member's annual rate in effect at the time the sabbatical leave begins. (c) If during the period of sabbatical leave the institution allocates salary increases to its academic staff members, the annual rate of the academic staff member on sabbatical leave will be increased by the appropriate amount effective on the date that the salary increase was granted.

(2) Revision of the sabbatical leave program or other terms and conditions of the agreement shall be approved by all parties to the original agreement.

580-021-0220 Obligation to Return

If an academic staff member fails to fulfill this obligation, the academic staff member shall repay the full salary paid during the leave plus the health care and retirement contribution paid by the institution on behalf of the academic staff member during the leave. This amount is due and payable three months following the date designated in the sabbatical agreement for the faculty member to return to the institution.
