* E&G: Educational and General Expenditures

**Beginning 1999-00, continuing education is included in E&G due to the revised OUS budget model.

OPT for Co-op is included in E&G in 1999-00, but in 2000-01 was moved to Gifts, Grants, and Contracts.

NOTE: This table has been revised. Beginning with the 2002-03 Fact Book, E&G and state appropriation figures are based on actual data rather than initial budget. Data reported in previous editions will not be comparable.
