OREGON TECH ALUMNI ASSOCIATION

The Oregon Tech Alumni Association seeks to provide alumni with a network that strengthens friendships and promotes OIT as a premier institution of higher education.

Membership is free and open to all graduates and former students who have completed 90 or more credit hours at Oregon Institute of Technology and its preceding institutions, Oregon Technical Institute and Oregon Vocational School. Nearly 60% (12,135) of OIT's 20,734 alumni reside in Oregon, followed by population centers in Washington, California, Idaho, Alaska, Nevada, and Arizona. Alumni can be found in almost every state as well as in Asia, Europe, North and South America, Australia, the Middle East and Africa. We welcome all our Alumni to visit and join our NetCommunity at: <http://alumni.oit.edu>

The Alumni Association and the Office of Alumni Relations offer many valuable programs and services to involve alumni in the life of the university and with each other. Social and educational events such as reunions, career networking, continuing education courses, and legislative advocacy are provided to fulfill our mission. Volunteer opportunities exist for alumni in the offices of Admissions and Career Services, as well as through academic departments. The alumni recognition program includes six awards that are bestowed annually on behalf of the association, including Distinguished Alumni, Scientific Discovery, Young Professional Achievement, Alumni Spirit, Honorary Alumnus, and Outstanding Service.
