Oregon Institute of Technology
DEGREES OFFERED

Master's Degree

Master of Science in Engineering Technology
Computer Engineering Technology

Bachelor's Degree *(Bachelor of Science)*
Applied Environmental Sciences
Applied Psychology
Civil Engineering
Computer Engineering Technology
Dental Hygiene
Electronics Engineering Technology
Health Sciences
Industrial Management
Information Technology
Laser Optical Engineering Technology
Management, with options in:
    Accounting
    Entrepreneurship/Small Business Management
    Marketing
Management Information Systems
    Mgmt. Information Systems/Management Accounting Option
Manufacturing Engineering Technology
Mechanical Engineering Technology
Nursing (Cooperative Program with Oregon Health Sciences University)

SOURCE: OIT General Catalog 2000-2001

Bachelor of Science (continued)
Radiologic Science
    Radiologic Science/Nuclear Medicine Technology Option
Software Engineering Technology
Surveying
Ultrasound, with options in:
    Diagnostic Medical Sonography
    Vascular Technology

Associate's Degrees

Associate of Applied Science
Dental Hygiene
Office Systems Technology

Associate of Arts (Oregon Block Transfer)

Associate of Engineering
Computer Engineering Technology
Electronics Engineering Technology
Software Engineering Technology

Certificates
Accounting
Entrepreneurship/Small Business Management
Marketing
