

Oregon **TECH** Alumni Association AUGUST 2020

ALUMNI SPOTLIGHT

Travis Thomas '19 was a track star at Oregon Tech, involved in the Tech Opportunities Program and graduated with a degree in Applied Psychology. He is giving back to the Klamath Falls community by working with local youth and he recently started his own coaching and mentoring business.

His drive and determination have only been fueled by his young daughter. We are so proud of everything Travis has accomplished already and look forward to celebrating his future endeavors. Go Owls!
