

**Klamath Community College
Associate of Applied Science in Digital Media and Design program
to**

**Oregon Institute of Technology
Bachelor of Science in Communication Studies**

**Articulation Agreement
2017-2018 Catalog**

It is agreed that students transferring with Klamath Community College's (KCC) AAS Digital Media and Design program to Oregon Institute of Technology's (Oregon Tech) Bachelor of Science in Communication Studies program will be given full credit for all selected courses listed below. This agreement is based on the evaluation of the rigor and content of the general education and technical courses at both KCC and Oregon Tech, and is subject to a yearly reevaluation by both schools for continuance. This agreement is dated November 1, 2017.

Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300-and 400-level classes at a bachelor's degree granting institution. Baccalaureate students at Oregon Tech must complete at least 45 credits from Oregon Tech before a degree will be awarded.

Admission to Oregon Tech is not guaranteed. Students must apply for admission to Oregon Tech in accordance with the then-existing rules, policies and procedures of Oregon Tech. Dual Admission is possible according to an existing Memorandum of Understanding. Students are responsible for notifying the Oregon Tech Admissions and Registrar's Office when operating under an articulation agreement to ensure their credits transfer as outlined in this agreement. In order to utilize this agreement students must be attending Klamath Community College during the above catalog year. Students must enroll at Oregon Tech within three years of this approval.

1. To maximize useable credits toward the BS in Communication Studies degree, the listed courses are recommended.
2. Excess credits will transfer to Oregon Tech as general elective credit with the exception of developmental course work; these credits will **not** be used toward the BS in Communication Studies degree.
3. The BS in Communication Studies program requires one biological or physical science with lab. Choose from following School prefixes: BI, CH, G, GS, or PH.
4. Students can transfer up to 8 credit hours of math/science electives into the BS in Communication Studies program; these courses should be designated as math/science

electives by Oregon Tech. Choose from the following School prefixes: BI, CH, G, GS, MTH, and PH. Please note that Oregon Tech does not grant science credit for computer science courses.

5. Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300- and 400- level classes at a bachelor's degree granting institution.
6. Oregon Tech's BS in Communication requires 184 credits.
