Articulation Agreement 2017-2018 Catalog

It is agreed that students transferring from Klamath Community College (KCC) to Oregon Institute of Technology's (Oregon Tech) Medical Imaging Technology program will be given full credit for all selected courses listed below. This agreement is based on the evaluation of the rigor and content of the general education and technical courses at both KCC and Oregon Tech and is subject to a yearly reevaluation by both schools for continuance. This agreement is dated August 3, 2017.

Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300 and 400-level classes at a bachelor's degree-granting institution. Baccalaureate students at Oregon Tech must complete 45 credits from Oregon Tech before a degree will be granted.

Students are responsible for notifying the Oregon Tech Admissions and Registrar's Office when operating under an articulation agreement to ensure their credits transfer as outlined in this agreement. In order to utilize this agreement students must be attending KCC during the above catalog year. Students must enroll at Oregon Tech within three years of this approval.

Please refer to the Oregon Tech Medical Imaging website, www.oit.edu/mit, to view application procedures and curriculum requirements for students admitted to the professional programs. Some of these courses may be taken prior to admission into the program.

1. Select courses from the following KCC prefixes: ART, ENG, MUS, PHL, Second-Year Foreign Languages or others designated as Humanities by the Oregon Tech Registrar's Office. Please note that Oregon Tech only accepts 3 credits of performance or studio based Humanities credits toward the 9 credit total.
2. Select courses from the following KCC prefixes: ATH, ECO, GEO, HST, POL, PSY, SOC or others designated as Social Science electives by the Oregon Tech Registrar's Office.
3. MIT 103 Introduction to Medical Imaging must be taken at Oregon Tech online or on campus. This is a requirement for admission into the Oregon Tech Medical Imaging Program.
4. Excess credits will transfer to Oregon Tech as general elective credit, these credits will **not** be used toward the Medical Imaging Degree.
5. Oregon Tech's Medical Imaging Degree requires at least 180 total credits.
