1: Measles, Mumps, and Rubella (MMR) [Satisfies Immunization Requirement for Measles, Mumps, and Rubella]

Measles, Mumps, and Rubella Immunity

Per Oregon Administrative Rule 333-050-0130: All entering university students born on or after January 1, 1957 will have two doses of MMR (measles, mumps, rubella) which are at least 24 days apart and the first dose was up to 4 days prior to or after student's first birthday. You may refer to "Integrated Student Health Center" in the online Oregon Tech General Catalog for more information.

You can meet this requirement either by combined MMR immunizations or by individual immunizations or by blood test showing evidence of immunity.

If the information submitted regarding MMR vaccinations is incomplete or insufficient, a hold will be placed on your account, preventing you from registering.

The Integrated Student Health Center (ISHC) does have this vaccination (or blood tests) available.

International Students: You must have at least one documented MMR vaccine on file PRIOR to attending any classes.

Please provide the dates of your combined MMR immunizations below. Two doses are required.

Date for Dose 1: M/D/YYYY
Date for Dose 2: M/D/YYYY
