SMART ABOUT TRANSFERRING CREDIT

An important piece of transferring to Oregon Tech is understanding exactly how your credits will transfer into the academic program in which you want to enroll. We will provide you a complete, electronic evaluation upon admission before your planned term of enrollment.

Here's a sample to show how easy it is to determine how your existing credits will transfer before you enroll:

OREGON TECH TRANSFER ARTICULATION (SAMPLE ONLY)

LDT = Lower Division Elective UDT = Upper Division Elective (4-year schools only)

	Clackamas Community College				Oregon Tech Equivalent		
As of Fall 1990:	Subject	Course	Title		Subject	Course	Title

ARTICULATION AGREEMENTS (WHAT?!)

Articulation agreements match course work between Oregon Tech and its community college partners. These are designed to help transfer students make a seamless transition to Oregon Tech. See oit.edu/articulations for more info.

DUAL ENROLLMENT

Oregon Tech has agreements with several community colleges in the state* that enable student to be admitted and enrolled at both schools at the same time. Dual enrollment provides a number of advantages for transfer students:

- Optional credit transfer and transcript exchange process between schools
- Flexibility in scheduling with day, evening, weekend, or online options between campuses
- Exceptional advising at both institutions for an easy transition to Oregon Tech
- Coordination of federal financial aid between schools
- Access to Student Services at both campuses

*Chemeketa, Clackamas; Klamath; Linn-Benton, Mt. Hood, and Portland community colleges in Oregon.
