# THE GIFT OF YOUR TIME TO THE COMMUNITY CAN MAKE ALL THE DIFFERENCE

## WHAT IS HOSPICE?

Hospice is specialized care provided by an interdisciplinary team of professionals and trained volunteers. When curative treatment is no longer an effective or desired option, hospice can step in to enhance a patient's quality of life while alleviating pain and other symptoms.

## VOLUNTEERS MAKE A DIFFERENCE

We invite you to become part of the High Desert Hospice team and help us enhance the quality of life for our patients and their loved ones.

We rely on caring people like you to volunteer your time and talents to help us in our mission to provide compassionate, attentive care to our patients. Anyone can volunteer — all we ask of you is a desire to help.

## YOU CAN HELP

Volunteers play an essential role in the philosophy and delivery of hospice care. These are just a few of the ways you can help:

### PATIENT SUPPORT

- Providing companionship for patients, including talking, going for walks, writing letters, reading to the patient or listening to music together
- Providing occasional respite for caregivers, which allows them to care for themselves and complete many of the everyday aspects of life that can sometimes get overlooked (doctor's appointments, grocery shopping, relaxing, etc.)
- Helping with routine activities, such as grocery shopping or basic home maintenance.

### ADMINISTRATIVE SUPPORT

- Helping with clerical duties at the High Desert Hospice office
- Assisting with fundraising activities and events

We never ask you to do anything outside your comfort zone.

## HOW IT WORKS

Volunteers at High Desert Hospice take part in thorough training and orientation, including completion of a background check. We make sure you have all the knowledge and resources you need to do the job you've generously volunteered to do.

Our volunteer coordinator works with you to determine and schedule the activities that are most appropriate, and fit best with your skill set and schedule.
