

Oregon Institute of Technology
DEGREE PROGRAMS (1.13)

Source: OIT General Catalog 2002-03

Master of Science in Engineering Technology

Computer Engineering Technology (*no new students currently being accepted*)

Bachelor of Science

Applied Environmental Sciences

Applied Psychology

Civil Engineering

Clinical Laboratory Science (*joint degree with Oregon Health & Science University [OHSU]*)

Communication Studies

Computer Engineering Technology

Dental Hygiene

Electronics Engineering Technology

Geomatics

Health Sciences

Information Technology

Laser Optical Engineering Technology (*no new students currently being accepted*)

Management, with options in:

Accounting

Entrepreneurship/Small Business Management

Marketing

Bachelor of Science (continued)

Management Information Systems

Mgmt. Information Systems/Management Accounting Option

Manufacturing Engineering Technology

Mechanical Engineering Technology

Nursing (*through OHSU School of Nursing*)

Operations Management

Radiologic Science

Radiologic Science/Nuclear Medicine Technology Option

Software Engineering Technology

Ultrasound, with options in:

Diagnostic Medical Sonography

Vascular Technology

Associate's Degrees

Associate of Applied Science

Dental Hygiene

Emergency Medical Technology/Paramedic (*joint degree with OHSU*)

Office Systems Technology

Associate of Arts (Oregon Block Transfer)

Associate of Engineering

Computer Engineering Technology

Electronics Engineering Technology

Software Engineering Technology
