OREGON TECH ALUMNI ASSOCIATION

Mission

The Oregon Tech Alumni Association seeks to provide alumni a worldwide network that strengthens friendships and promotes OIT as a premier learning institution.

Membership

Membership is free and open to all graduates and former students who completed 90 or more credits hours at Oregon Institute of Technology and its preceding institutions, OTI and OVS. Approximately 50% of OIT's 21,000 alumni reside in Oregon, followed by population centers in Washington, California, Idaho, Alaska, Nevada, and Arizona. Alumni can be found in almost every state as well as in Asia, Europe, North and South America, Australia, the Middle East and Africa.

Leadership

Founded in 1949 and chartered in 1989 under the Oregon Tech Foundation, the Alumni Association is led by an appointed advisory board in partnership with the Office of Alumni Relations.

Programs and Services

The Alumni Association and the Office of Alumni Relations offer many valuable programs and services to involve alumni in the life of the College and with each other. Social and educational events such as reunions, career networking receptions, continuing education courses and legislative advocacy are provided to fulfill our mission statement. Volunteer opportunities exist for alumni in the offices of Admissions and Career Services, as well as through academic departments. The alumni recognition program includes five awards that are bestowed annually on behalf of the Association, including Distinguished Alumni, Scientific Discovery, Young Professional Achievement, Alumni Spirit, and Honorary Alumnus.
