

Administrative Council Minutes 12-8-11

Survey Discussion:

Purpose:

- job satisfaction
- informal with 3-4 open ended questions
- what can Admin Council address?
- What issues are out there?
- Should we have an anonymous option?
- how do you feel about your job stability?

What do we do with the results?

Do Administrators understand we have a voice?

Do you want a voice with administrative or institutional issues?

Questions:

- job satisfaction
- Job stability
- issues Administrative Council can address
- what gestures of recognition/acknowledgement would make meaning
- Besides salary increases, what would you like to see for recognition/appreciation?
- How do you suggest we increase visibility of Administrative Council?
- Are you willing to participate in current Administrative Council activities?
- Are there activities/events you would like to see offered?
- Is Administrative Council your voice? Does it make meaning for you?

Would President Maples be willing to speak at Brown Bag Lunch or even be an "Administrator" for a day (a few hours anyway)
